

“Summit Christian College, an institution of higher learning, educates leaders for Christian service.”

Dear Colleague and Friend of Summit Christian College,

Thank you:

- For your unwavering loyalty to Christ,
- For your stubborn fidelity to sound biblical doctrine,
- For your passion for bringing God's word to life,
- For your commitment to keeping Christian Higher Education affordable, so those preparing for ministry can graduate and serve wherever God is calling them without the burden of debt.

You are taking a stand for all of these things when you support Summit Christian College.

Think about it. Summit Christian College was in an excellent position to respond to the onset of the COVID19 pandemic this year, largely because of your partnership with the college. Your generous support helped build our online platform, the Summit Bridge. This allowed a smooth transition from on-campus to at-home learning, even before the government directives began to go into effect. As the year 2020 draws to a close, we are back on campus while being attentive to the Covid19 situation.

Would you prayerfully consider making an extraordinary "End of Year" contribution to the ministry of Summit Christian College? End of year gifts are needed to help the college meet the immediate challenges ahead.

- The time has come for the college to hire new faculty, staff, and administrators. In part to prepare for a smooth transition from faculty and staff that will be retiring soon to the next generation to take up the torch of educating Christian leaders.
- The college is in immediate need of a well-qualified administrator so we can separate the Director of Operations responsibilities from those of the Academic Dean. Scott Gribble is temporarily doing both administrative positions. He cannot continue to do this because we will be beginning a new "Self-Study" to maintain our Accreditation status, which will require a lot of Scott's time.
- A special gift from you will also help the college replace our old red van with a safe and reliable new one.
- To help our End of Year giving campaign, we moved our Christmas Wish List to July. Be on the lookout for the Christmas in July letter.

Your support of Summit Christian College will help us face the technological, cultural, and political challenges of the future as we strive to prepare Christian Leaders for that same future.

“The reaper draws his wages and gathers a crop for eternal life, so that the sower and the reaper may rejoice together.” (John 4:36) We rejoice together with you because you are a vital part of the ministry of Summit Christian College.
