Contact Name: John Erickson
Email: John@sutherlandchurch.org **Phone:** 712-346-7880
Open Position: Associate Minister of Worship

Details:

The Sutherland Church of Christ is a growing, healthy church in rural Iowa. We have multiple services and average over 300 people in attendance weekly. We are looking to add a minister to help facilitate the Sunday morning worship. The candidate should be able to play an instrument and lead singing as well as be able to learn Pro Presenter and other platforms of church software. This job will involve leading the services on Sunday mornings and planning services in conjunction with the lead/preaching ministers sermons to provide a cohesive worship service.

The church is booming with new families every week and more babies than we can even count, Sutherland is a small town but the church is full of great people who need to continue to be discipled and grow in their relationship with Jesus.

We have a great young team and we are looking to bring in someone who has a heart for God and a desire to lead worship.
